MindStream's Alex Ladd to Present at Collaborate 10

Boston, MA – March 18, 2010- The Company announced today that Alex Ladd, Sr. Partner, will present **Security in Hyperion Fusion 11** at the OAUG sponsored Collaborate 10 Conference. This presentation will discuss the various components of the security model in Hyperion Fusion 11 so that attendees will have a better understanding of how to model their own security. Illustrate the Hyperion Fusion 11 security model to attendees. Teach best practices around security implementations. Teach attendees how the various security components act together to create a user experience. The session ID is 3225 and will be presented Thursday April 22 at 8:30am in Lagoon I.

Collaborate 10 runs from April 18 – 22 at Mandalay Bay Resort and Casino, Las Vegas. For more information on Collaborate 10, please visit http://www.oaug.collaborate10.com
