Gone long enough without a financial Dashboard?

Boston, MA – May 12, 2010- The Company announced today that it will host a live Webinar presentation of **A Dashboard for Hyperion Financial Applications – a Partnered Approach** on Thursday May 27 at 12:00 pm Eastern. This will feature Seth Landau - EVP of Consulting at MindStream Analytics and Scott Jennings, Director of Board International. The presentation will discuss the process of creating a sophisticated financial dashboard utilizing a collaborative model - Hyperion EPM (HFM) and BOARD's ease of use Dashboard tool-kit. Attendees will discover:

- The ease of use of developing multi-dimension views in BOARD from a Hyperion Application.
- Fast, efficient Drag and Drop technology in BOARD to produce state of the art Dashboard views.
- The ability to refresh the metadata and data from HFM into the BOARD database for a real-time update of your Dashboard.
- The cost and implementation efficiencies of this Partnered Approach.

This one of many innovative features we are bringing to you! Sign up now by clicking the following link.
