OBIEE vs Hyperion Financial Reports: Oracle's Future in EPM Reporting

Live Webinar Presentation

DATE: Tuesday, June 5, 2012

TIME: Noon to 1pm Eastern

LOCATION: GoToWebinar

PRESENTED BY: Alex Ladd- Senior Partner, *MindStream Analytics*

OBIEE vs Hyperion Financial Reports: Oracle's Future in EPM Reporting

if you missed this VERY popular session at Collaborate 2012 and would like to attend, here is your chance. Learn the differences between the components of OBIEE and Financial Reports. Learn what you can do in OBIEE instead of Financial Reports? Do you need both? Why? What does the future hold for each product?

- What is Oracles BI Foundation Suite?
- Features and functions for reporting, ad-hoc analysis and dashboards
- Making sense of the alphabet soup of Oracle's reporting tools

About MindStream Analytics:

MindStream Analytics is a consulting and managed services firm dedicated to helping clients enable better decision making. With over a decade of experience in the Analytics and Enterprise Performance Management space, MindStream offers customers business intelligence and analytic tool selection, predictive modeling development, real-time streaming Analytics, Profitability Costing models, EPM design and delivery optimization and best practices for financial planning. MindStream guides their customers to a solution that enhances business modeling enabling better analysis and insight into their data. We believe that the power of technology combined with best practices will give customers the ability to make fact based decisions.
