

MindStream Analytics Becomes Oracle® PartnerNetwork Platinum Level Partner

Oracle Recognizes MindStream for Expertise in Consulting and Managed Services for Oracle Hyperion

JUNE, 2013 – BOSTON, MA – MindStream Analytics, a leading consulting firm focused on helping clients improve business understanding and decision making, today announced that it has achieved Platinum partner status in Oracle® PartnerNetwork (OPN). By attaining Platinum level membership, Oracle has recognized MindStream for its in-depth expertise and excellence in delivering services for Oracle Hyperion and for uniquely addressing the challenges of joint customers.

“Oracle Platinum Partner status is awarded to companies that have proven leadership in showcasing the depth and breadth of a company’s expertise,” says Senior Partner Alex Ladd. “We are extremely honored to obtain the status and have Oracle recognize MindStream in the Oracle Hyperion and Oracle Business Intelligence Enterprise Edition space for service quality, performance, innovation, and total client focus.”

MindStream Analytics has established its depth and breadth of services across Oracle Essbase, Oracle Hyperion Planning Suite, Oracle Hyperion Financial Management, and Oracle Business Intelligence Enterprise Edition.

With its Platinum status, MindStream Analytics receives the high level of engagement, commitment and benefits available to OPN partners. Platinum members receive dedicated virtual account management support to build joint development plans and help broaden Specialization areas and revenue opportunities. Additional benefits include priority placement in the OPN Solutions Catalog, one free application integration validated by Oracle, joint marketing and sales opportunities, discounted training and more.
